Greetings!

We've had some exciting changes here at Flying Pen Press. Not only has the office moved, but we've added new staff members and modified our submission process. We have new books currently available as well as many other favorites and surprises in the works for 2010. Our writers are busy with planned signings at various conventions and book stores, so please attend and support them. FPP is also available on various web sites, so look us up and sign up as our friend. Do the same for our writers!

## BOOK NEWS

### **Riders of the Mapinguari**

by Gaddy Bergmann

Conclusion of *The Feral World* trilogy, an apocalyptic odyssey set 3,000 years hence.

Published by Flying Pen Press LLC, June 2009, under the imprint Flying Pen Press Fiction

312 pages, map, glossary, bibliography, author notes.

ISBN: 978-0-9795889-5-2. Trade paperback. Cover Price: \$16.95.

LCCN: 2009928660

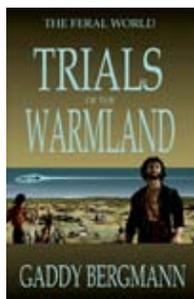

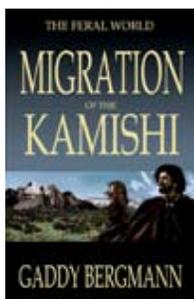

5.5" x 8.5" x 0.653", 0.88 lb.

Catalog No. FIC-L-01003

*Riders of the Mapinguari* takes *The Feral World* in a radically new direction. Blake and his friends have traveled through the Great Plains and are living peacefully in the Warmland, when they are attacked by an enemy quite unlike any they have ever faced before: the Terran army. Poised to conquer the Warmland, the Terrans not only greatly outnumber the natives, but they also have hundreds of mapinguari – giant beasts that can overpower anyone who would oppose them. Blake and his people must face them, though, if they hope to save not only themselves, but the entire Warmland.

*The Feral World* trilogy is unique in offering an optimistic view of post-apocalyptic society, which has come to consist of local tribes that depend on hunting and gathering. Gaddy Bergmann lives in Denver. He is an ecologist and zoologist, and he carefully crafted a world where the biosphere develops naturally in the absence of humanity's misguided management of the planet. ## SPECIAL REQUEST

We request that supporters of Flying Pen Press and its game book imprint Game Day please take a moment to help promote our premiere poker rulebook, *The Game Day Poker Almanac Official Rules of Poker* by Kelli Mix. Simply visit the book’s Amazon page and tag the book as “poker.” Doing so will give the book greater visibility in the online community.

*The Official Rules of Poker* is the bestselling poker rulebook on Amazon, and enjoys heightened attention this summer as the World Series of Poker gains momentum among television viewers once again.

The poker community is also turning to social media sites such as Twitter and MySpace, where internet promotions have greater effect. Everyone’s help will be greatly appreciated.
